

PHARMACEUTICAL CUSTOMER COMPLAINT REPORT

Reporter: GlobalMed Wholesalers / Dr. Alexander Vance

Market: US

Product Name: Metformin Extended Release 500mg

Batch Number: STR-2026-993

Category: Wrong Strength

Quantity Affected: 500 units

Complaint Narrative:

URGENT SAFETY REPORT: Retail distributor reported receiving outer carton labeled 100mg, but internal blister foils are printed Metformin 500mg Tablets. Mismatch between outer carton labeling and primary blister strength presents severe risk of accidental patient overdose and acute hypoglycemic reaction. Immediate batch quarantine requested.
